

MY MISSION

We love when people partner with us to take ownership of the work at the Mission. This isn't just a rescue mission. This is truly your Mission for many different reasons. It's the place you have come down to for years to volunteer. It's the safe haven where your loved one was able to get his or her life on the right track. It's where you have donated food, clothing, and money to meet the needs of those less fortunate. It's where your gifts and talents have been used to make a difference. Together we have provided nutritious meals, warm beds, showers, clean clothes, and a refuge of safety to thousands of men, women, and children over the years. Thank you for your partnership in that.

This is more than a mission.

This is **YOUR MISSION.**

The mission is my home right now, and I am truly grateful for this opportunity at a new life. I thank the Lord for bringing me here because my life will never be the same.

Youth Center is a big blessing in my life. They provide clothes, backpacks, school supplies, shoes, food and more. The Youth Center helped me get a scholarship. I've built a better relationship with Jesus Christ.

- Theresa

My life has changed since I came to the Modesto Gospel Mission and surrendered to Jesus Christ. He changed my life 180 degrees, and I'm a new person inside and out. I'm grateful to God and the Mission.
