

GUEST TESTIMONY

WILL

ARRIVED
DEC 11, 2022

"My parents divorced when I was just four years old. I was mainly raised by my grandparents. My mom worked a full-time job plus overtime. It was only myself and my younger brother. My addiction had a hold on me, the more I gave in the more I wanted it. Since coming to the Mission, one of the ways I have learned to conquer the urge is by volunteering here at the Freedom Road Day Center. I usually assist in getting our guests checked in, directing group games, and lending advice. By helping others, I've helped myself as well. My urges are not as strong as they once were, and they will continue to fade. I am constantly learning to draw closer to God. I now have goals for the future. I want to continue learning from others and hope that others can one day learn from me." ■

FOCUS ON RECOVERY

TUESDAYS - New Creation In Christ

Exists to lead men and women out of the bondage of drugs and alcohol and into freedom with Jesus Christ.

FRIDAYS - Peer Support

Provides opportunities for guests to share their experiences, offer encouragement, and build relationships through mutual support and activities.

OUR PROGRAM

In January 2018, in partnership with Sutter Gould, the Modesto Gospel Mission developed Freedom Road, a three-pronged program.

Which includes:

- Day Program
- Case Management
- Respite

Freedom Road is a well-structured program that provides a safe and predictable environment where homeless men and women can find refuge from the streets of Modesto. It is a program where supportive relationships are built and strengthened with one another, lives are transformed.
