

# TOGETHER FOR A GREAT PURPOSE

ANNUAL REPORT FY 2023-2024

# OUR MISSION

The Modesto Gospel Mission serves as a hub where the broader community unites to offer refuge, recovery, and restoration through Jesus Christ. Committed to supporting some of the most vulnerable individuals in our area, the Mission provides a comprehensive range of programs and services aimed at helping people transition from life on the streets to residing in permanent, stable housing, and achieving lasting positive change. Our work is grounded in the love of Jesus, reflected in both our words and actions. We address the physical, emotional, and spiritual needs of each guest we serve.

Going beyond the role of a traditional food bank or soup kitchen, the Mission offers essential services including shelter, clothing, meals, showers, Bible studies, life skills training, employment support, addiction recovery programs, a day program, an after-school Youth Center, recuperative care, and much more. To maintain these critical services, the Modesto Gospel Mission relies on the generosity of local individuals, churches, organizations, foundations, and businesses that share our vision of supporting the poor and homeless in Stanislaus County.

# TOGETHER FOR A GREATER PURPOSE

At the Modesto Gospel Mission, we believe that transforming lives begins with a united community driven by faith and compassion. There are many ways you can be part of this greater purpose and make a lasting difference:

**SUPPORT FINANCIALLY:** Your generous donations provide meals, shelter, and life-changing programs for the most vulnerable in our community. Every contribution brings hope to those in need.

**VOLUNTEER YOUR TIME:** Whether serving meals, mentoring youth, or assisting with our programs, your time and talents have the power to change lives and build connections.

**PRAY WITH US:** Prayer is the foundation of our ministry. Your prayers for our guests, staff, and volunteers bring strength and hope to those we serve.

Together, through financial support, volunteering, and prayer, we can reflect God's love and transform lives in Stanislaus County. Join us in creating a brighter future for our neighbors in need.

# LETTER FROM THE CHAIRMAN OF THE BOARD

---

What an incredible season we are experiencing at Modesto Gospel Mission! For those who may not have heard, we recently embarked on a journey that reflects both faith and vision, venturing into uncharted territory by launching a capital campaign to build a new center for women and children. This decision was not made lightly, but with a deep conviction that it is both necessary and timely for the next chapter of our Mission's work.

The overwhelming support we have received from our community has been a powerful confirmation of God's sovereign hand guiding this endeavor. From the generous donations to the heartfelt prayers, the encouragement from all of you has been humbling and inspiring. You have truly stood with us, reinforcing that this ministry belongs to our entire community and that together, we can make a lasting difference.

As a board, we extend our heartfelt thanks to each and every one of you who have championed this cause. Because of your support, we have been able to expand our reach and serve those in need—women, children, and families struggling through hardships—in ways that are more impactful than ever. We are witnessing lives transformed, hope restored, and a brighter future created. Thank you for walking this path with us, for believing in the Mission, and for helping us to reach new heights in our calling to serve the broken.

## LETTER FROM THE CHIEF EXECUTIVE OFFICER

---

Modesto Gospel Mission has been putting a lot of effort into expanding the capacity for women and children for several years. It's exciting that we're now in the final stages of making this a reality by opening Hannah's House in mid-2025. With the opening of Hannah's House will be the addition of another 100 + beds for women and kids in this community. As we approach 2025, we do so with a clear vision of continuing the great work that the Lord is doing in the hearts of those we serve. This is only possible with the help of the wonderful community that is truly the hands and feet of Jesus. Thank you all for the generosity and love that you have for our Mission. We are focused on discipleship and carrying forth the Great News of the Gospel to those that we serve. Blessings!

## URGENT ACTION NEEDED

For years, **Stanislaus County** has struggled to provide adequate shelter for the increasing number of homeless women and their children. Hundreds are forced to live in unsafe conditions because our shelter capacity is stretched to its limit. But we're taking action—and **thanks to our generous donors**, we are making Hannah's House a reality.

**So far, we've raised \$2.4 million of our \$3.4 million goal.** This incredible progress wouldn't be possible without your support. But we still have a ways to go, and **now is the time to finish what we've started.**

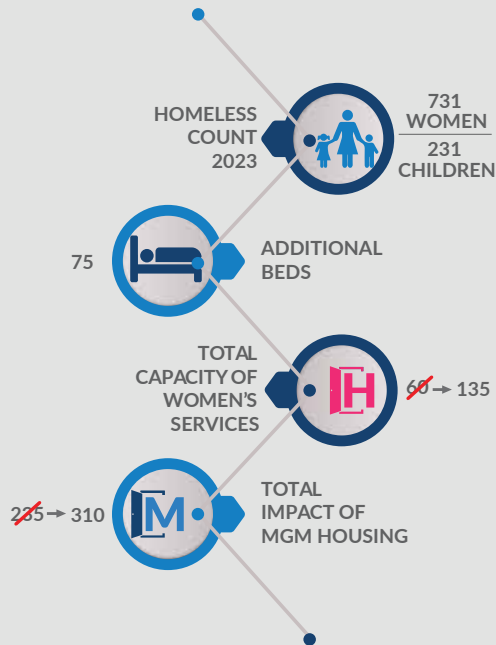

## A New Beginning for Women and Children

Hannah's House is more than a shelter; it's a safe haven. It will offer 95 beds and a fresh start for women and children in our community, providing them with a chance to escape homelessness, rebuild their lives, and find hope again. This transformative space will provide access to crucial resources like counseling, spiritual discipleship, job training, and healthcare support, empowering women to regain independence and stability.

## Progress of Hannah's House:

- **\$2.4M** raised of the **\$3.4M** needed.
- **Demolition completed** in record time with all labor and costs donated for free. Replacing the roof was completed in October. Primary construction started in December and is ongoing through early 2025.
- Anticipated opening: Late Spring 2025, ready to welcome women/women with children in need.

We are grateful for the ongoing support from our community and partners, and we invite you to continue contributing to this life-changing project.

Every night, countless individuals knock on Modesto Gospel Mission's door, seeking shelter and hope. Hannah's House is our answer to this pressing need—a dedicated refuge for women and their children, providing safety, stability, and support. In Stanislaus County, the number of women and children facing homelessness continues to rise.

With your generous support and prayers, Hannah's House will be completed in just a few months, offering not only a safe place but also the promise of a brighter future. Together, we are giving hope to those who need it most.

MY HOPE  
is that no woman or child will  
ever be turned away again.

**Hi Gina, thank you for being here and sharing your powerful story. Can you start by telling us about your life before arriving at the Modesto Gospel Mission?**

Of course. Before I came to the Mission, my life was in a really dark place. I was homeless, living in a tent by the Feather River in Marysville with my abusive boyfriend. I had lost custody of my children and was trapped in drug addiction. I felt utterly lost, with nowhere to turn and no one to turn to. One night, I heard a voice telling me to get up and leave. I didn't know where to go, but I knew I had to leave that situation. So, I just got up and left. I ended up wandering, still using drugs and spending time with strangers, feeling like I had no direction.

**That's incredibly brave, leaving without knowing where you'd go. How did you end up finding the Modesto Gospel Mission?**

A complete stranger bought me a bus ticket to Modesto after I met her at a hospital. When I arrived, I didn't know where I was or what to do. I ended up on the streets for about 30 days, still hanging out with abusive men and struggling with addiction. Then one night, a man invited me to eat, and he brought me to the Mission. We attended a chapel service, had a warm meal, and I felt something I hadn't felt in a long time—hope. I learned about the shelter but still went back to the streets that night. It kept weighing on me though, and I knew I had to go back. I finally did.

**What was it like once you made the decision to stay at the Mission?**

It was a huge relief. For the first time in a long time, I felt safe and cared for. Just four days after staying there, I was introduced to the New Life program, and it felt like the answer to all my prayers. I needed a new life, and this was my chance to find it. I joined the program and began building a relationship with God, which completely transformed everything for me.

“

My hope is that no woman or child will ever be turned away again. Hannah's House will be a safe haven, and I'm so grateful that we'll be able to help more women and children break the cycle of abuse and addiction—just like I did. It's about giving people the opportunity to start over.”

”

**That's an incredible transformation. How did being part of the New Life program affect you?**

It was nothing short of life-changing. I started serving others, particularly the women and children at the shelter. That was the first time in years that I felt wanted and needed. I was able to step out of my own pain and start helping others. It also gave me the opportunity to finish my high school diploma, which was a huge accomplishment for me.

**Graduating from the program and earning your diploma is definitely a big achievement. What inspired you to stay at the Mission after that?**

I felt called to stay. Instead of going back into the workforce, I wanted to give back to the place that gave me a second chance. I applied for a job at the Mission, and I've now been working here for over eight years. It's been ten years since I first came to the Mission, and every day I'm grateful to be able to help others who are in the same situation I was in.

**That's amazing dedication. What's the most difficult part of your job now?**

The hardest part is turning women and children away. We're at full capacity, and just yesterday, I had to turn away five women and children. We have a long waiting list, but knowing that people are out there still suffering, especially women and children, is heartbreaking. I think about my own experiences and wonder where they'll go or if they're being abused. It's tough.

**That sounds incredibly challenging. How do you find the strength to keep going?**

#### My Favorite Bible Verses

"I can do all things through Him who gives me strength."

- *Philippians 4:13*

"Above all, love each other deeply, because love covers over a multitude of sins."

- *1 Peter 4:8*

It's tough, but knowing that there's hope ahead keeps me going. With Hannah's House coming soon, we'll be able to expand and provide more shelter for women and children. It's a huge blessing, and it gives me hope knowing that soon, fewer people will have to be turned away.

**What are your hopes for the future, especially with Hannah's House on the horizon?**

My hope is that no woman or child will ever be turned away again. Hannah's House will be a safe haven, and I'm so grateful that we'll be able to help more women and children break the cycle of abuse and addiction—just like I did. It's about giving people the opportunity to start over.

**Gina, your story is incredibly inspiring. Thank you so much for sharing it with us today. It's amazing to see how far you've come and the impact you're now making in the lives of others.**

Thank you for letting me share. I'm just grateful for what God has done in my life and the opportunity to give back.

“

“God led me to the Mission, and I’m deeply grateful He did.”

”

My name is Michael, and my addiction began innocently at the age of 12 with smoking weed. By 14, I had progressed to meth. I became a ward of the court, and by 15, my parents barely had any control over me. The judge felt like a father figure, and my probation officer felt like a mother. Between the ages of 12 and 18, I spent a couple of years behind bars.

At 19, I had my daughter, but even that wasn’t enough to change me. For 15 more years, I was consumed by gangs, addiction, and incarceration. In that time, I lost everything—I trusted the wrong people, got betrayed, hurt, and shot multiple times. The pain of wasted time and broken relationships haunted me.

I arrived in Modesto with nothing but scars, one of which was a bullet wound on my head that reminds me of the battles I’ve fought. But the Modesto Gospel Mission saved my life—twice. This time, I found something I hadn’t had in years: a real family. The people here have become more than friends; they’re my new family, and I would gladly choose them over anyone I’ve known over the last 20 years.

God brought me to the Mission, and I’m grateful He did. Staying close to my church and humble before God, I know I’m where I need to be. Nothing is impossible with God. The Word says, “I’m possible,” and today, I truly believe that.

“

I know I'm being transformed, and I'm deeply grateful for the Mission's support.

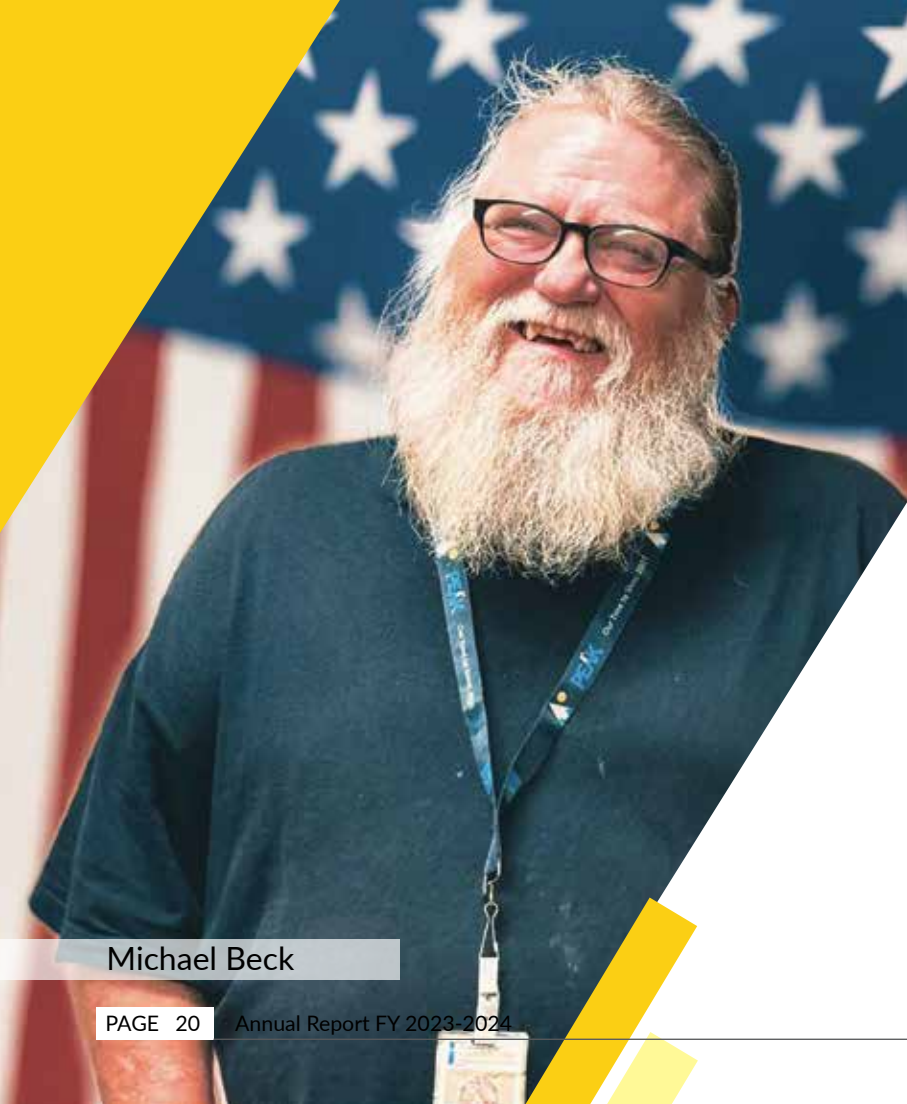

”

My name is Erin McCormick. I grew up in Sonora, CA, with a love for the outdoors, but I was raised by a single mother who had poor boundaries. Addiction was present in my family, and by my twenties, I had experienced trauma and was diagnosed with agoraphobia, which led me to self-medicate with alcohol. What started as a coping mechanism turned into a 20-year struggle with addiction, marked by relapses, rehab, and jail time.

Four years ago, I reached my lowest point and cried out to God for help. I was rescued from a dangerous situation, and I committed to change. When I came to the Gospel Mission earlier this year, I was broken, but I knew it was where I needed to be. The support and structure have helped me face my past and begin to heal.

I am now working and rebuilding my life. My relationship with my children, especially my son, has been restored, and I'm beginning to believe in myself again. God has been faithful in restoring my family, health, and finances. Though the journey is tough, I know I'm being transformed, and I'm deeply grateful for the Mission's support.

“

Coming to the Mission has kept me out of trouble, and with their support, my life is finally back on track.

”

My name is Michael Beck. By the time I was 17, I had started using and dealing drugs and firearms. This lifestyle brought me nothing but trouble, so after many years, I decided to settle down and get married. That ended up not working out, and I found myself on my own again.

After losing several vehicles, getting into legal trouble, and serving time in jail, I suffered a back injury while riding a bus. Following my release from jail, I told my story to the worker there, and she told me about the Mission and called Chaplain Cole. He told her to go ahead and send me to Modesto; he had a shelter bed for me.

When I arrived, I found the Mission to be a safe, Christian environment. They made sure I was fed three meals and two snacks every day. They generously provided me with clothing at no cost, and a hot shower and warm bed every night. Through their Day Program, I was able to get my vital records back, set up healthcare, and connect with a Social Security advocate who helped me get approved for SSDI after several prior denials.

Coming to the Mission has kept me out of trouble, and with their support, my life is finally back on track. I'm saving money and hope to find housing soon. I'm incredibly thankful to God and the Mission for their help.

“I’m very grateful to have a place where I can get help with homework, learn about God, and make friends.”

”

My name is Prue, and I am 15 years old. I’ve been coming to the Youth Center since May 2024.

I love coming here and I love the staff. I’ve learned a lot about being a leader. At first, I would get upset and irritated when I was reminded to show respect and be responsible, but then I had to remember —they are welcoming and helpful, and they’re here to teach me important things I need to be successful.

In August, I was sworn in as a Junior Volunteer. I help serve snacks, clean, and assist other kids around the Youth Center. I’m learning what it’s like to have a job and be on shift, and it makes me feel good as a person. I plan to keep coming here until I’m 18, and then I want to volunteer when I turn 18. I’m also good at playing the trumpet and singing, which I get to do here.

I’m very grateful to have a place where I can get help with homework, learn about God, and make friends. I love that my siblings are also Junior Volunteers and are learning too! The Youth Center is an awesome place!
